

## Your jobs for FH JOANNEUM students and alumni

We aim to support the career plans of our students & alumni and offer your company the opportunity to network with the experts of the future. This is why we have launched the FH JOANNEUM Career Center together with JobTeaser.

The platform offers our students and alumni the following:

- profiles of companies presenting their career opportunities
- a search engine for internship and job postings
- email notification of job offers and events

**We invite you to create a company profile or post job offers free of charge.**

You have two options:

### **1. You only want to post job offers?**

You're able to see how many students view your postings and who submit an application. You may also modify or archive your job postings.

**[Click here to create job postings](#)**

### **2. You want to post job offers and create a company profile?**

In addition to posting your internship and job offers you can also present your company in detail.

**[Click here to create a company profile](#)**

Have fun finding the best employees for your jobs.

More information is available on our website at [www.fh-joanneum.at/career-center](http://www.fh-joanneum.at/career-center)

**If you have any further questions please do not hesitate to contact us**
