209. New organisational form of the Master's degree programme 'Health, Tourism and Sport Management'

The organisational form of the Master's degree programme '[Health, Tourism & Sport Management](#)' is being changed from full-time to part-time. The change applies to first-year students from winter semester 24/25. The full-time form will remain in place for the 2023 cohort.

210. Renaming of the Master's degree programme 'System Test Engineering' and discontinuation of the Master's degree programme 'Electronics and Computer Engineering'

The name of the Master's degree programme 'System Test Engineering' will be changed to '[Electronic Engineering](#)'. The renaming is accompanied by an adjustment in the curriculum, which affects the profile and the associated intended learning outcomes. The change will be implemented in the winter semester 2024/25 for the 2024/25 admission cohort. The number of admission places will be changed from 20 to 40 admission places from winter semester 2024/25.

Associated discontinuation: From winter semester 2024/25, no more students will be admitted to the Master's degree programme in Electronics and Computer Engineering. Active students will be able to graduate within a period not exceeding the prescribed duration of study by one year.
